

## Anti-Cytochrome P450 3A5 CYP3A5 Antibody

Catalog Number: A00530

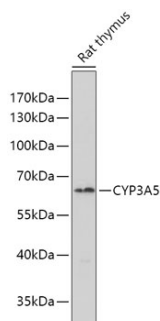

### Overview

|                      |                                                                                                                                               |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------|
| Product Name         | Anti-Cytochrome P450 3A5 CYP3A5 Antibody                                                                                                      |
| Reactive Species     | Human, Mouse, Rat                                                                                                                             |
| Description          | Boster Bio Anti-Cytochrome P450 3A5 CYP3A5 Antibody catalog # A00530. Tested in WB applications. This antibody reacts with Human, Mouse, Rat. |
| Application          | WB                                                                                                                                            |
| Clonality            | Polyclonal                                                                                                                                    |
| Formulation          | Rabbit IgG, 1mg/ml in PBS with 0.02% sodium azide, 50% glycerol, pH7.2                                                                        |
| Storage Instructions | Store at -20°C for one year. For short term storage and frequent use, store at 4°C for up to one month. Avoid repeated freeze-thaw cycles.    |
| Host                 | Rabbit                                                                                                                                        |
| Uniprot ID           | P20815                                                                                                                                        |

### Technical Details

|                     |                                                                                                                                                             |
|---------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Immunogen           | Recombinant protein of human CYP3A5.                                                                                                                        |
| Isotype             | IgG                                                                                                                                                         |
| Form                | Liquid                                                                                                                                                      |
| Concentration       | 1 mg/ml                                                                                                                                                     |
| Purification        | The antibody was affinity-purified from rabbit antiserum by affinity-chromatography using epitope-specific immunogen and the purity is > 95% (by SDS-PAGE). |
| Suggested Dilutions | WB: 1:500-1:2000                                                                                                                                            |
