| Product Name         | Anti-ERBB2 / HER2 / CD340 Reference Antibody (Trastuzumab duocarmazine)                                                                                                                                                                                        |
| Reactive Species     | Human                                                                                                                                                                                                                                                          |
| Description          | Boster Bio Anti-ERBB2 / HER2 / CD340 Reference Antibody (Trastuzumab duocarmazine) (Catalog # M00010-13). Tested in Flow Cytometry, ELISA, FTA. This antibody reacts with Human. Endotoxin: < 0.035EU/ug,determined by LAL method. Expression system: CHO Cell |
| Application          | ELISA, Flow Cytometry, Functional Assay, Kinetics                                                                                                                                                                                                              |
| Clonality            | Monoclonal                                                                                                                                                                                                                                                     |
| Formulation          | Purified monoclonal antibody supplied in PBS, pH6.0, without preservative.This antibody is purified through a protein A column.                                                                                                                                |
| Storage Instructions | Maintain refrigerated at 2–8°C for up to 2 weeks. For long-term storage, aliquot and store at -20°C to avoid repeated freeze-thaw cycles.                                                                                                                      |
| Uniprot ID           | P04626                                                                                                                                                                                                                                                         |

## Anti-ERBB2 / HER2 / CD340 Reference Antibody (Trastuzumab duocarmazine) (M00010-13) Images

Anti-ERBB2/HER2/CD340 Reference Antibody (Trastuzumab duocarmazine) on SDS-PAGE under reducing (R) condition. The gel was stained with Coomassie Blue. The purity of the protein is greater than 95%

The purity of Anti-ERBB2/HER2/CD340 Reference Antibody (Trastuzumab duocarmazine) is more than 95%

### Anti-ERBB2 / HER2 / CD340 Reference Antibody (Trastuzumab duocarmazine)

For Research Use Only. Not for use in diagnostic procedures.
