| Product Name         | Anti-CCR7 / CD197 Reference Antibody (R707)                                                                                                                                                                                              |
| Reactive Species     | Human, Mouse                                                                                                                                                                                                                             |
| Description          | Boster Bio Anti-CCR7 / CD197 Reference Antibody (R707) (Catalog # M00390-2). Tested in Flow Cytometry, ELISA, FTA. This antibody reacts with Human, Mouse. Endotoxin: < 0.365EU/ug,determined by LAL method. Expression system: CHO Cell |
| Application          | ELISA, Flow Cytometry, Functional Assay, Kinetics                                                                                                                                                                                        |
| Clonality            | Monoclonal                                                                                                                                                                                                                               |
| Formulation          | Purified monoclonal antibody supplied in PBS, pH6.0, without preservative.This antibody is purified through a protein A column.                                                                                                          |
| Storage Instructions | Maintain refrigerated at 2-8°C for up to 2 weeks. For long-term storage, aliquot and store at -20°C to avoid repeated freeze-thaw cycles.                                                                                                |
| Uniprot ID           | P32248                                                                                                                                                                                                                                   |

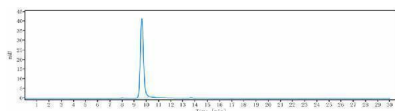

## Technical Details

|         |        |
|---------|--------|
| Isotype | IgG1   |
| Form    | Liquid |

## Anti-CCR7 / CD197 Reference Antibody (R707) (M00390-2) Images

Anti-CCR7/CD197 Reference Antibody (R707) on SDS-PAGE under reducing (R) condition. The gel was stained with Coomassie Blue. The purity of the protein is greater than 95%

The purity of Anti-CCR7/CD197 Reference Antibody (R707) is more than 99.08%

### Anti-CCR7 / CD197 Reference Antibody (R707)

For Research Use Only. Not for use in diagnostic procedures.
