### Overview

|              |                                                                                     |
|--------------|-------------------------------------------------------------------------------------|
| Product Name | DNAJC14 (NM_032364) Human Recombinant Protein                                       |
| Description  | Recombinant protein of human DnaJ (Hsp40) homolog, subfamily C, member 14 (DNAJC14) |
| Size         | 20 µg                                                                               |
| Tag          | C-Myc/DDK                                                                           |
| Form         | Frozen Solution in PBS Buffer                                                       |
| Source       | HEK293T                                                                             |
| Formulation  | 25 mM Tris.HCl, pH 7.3, 100 mM glycine, 10% glycerol                                |

### Concentration

>50 µg/mL as determined by microplate BCA method

### Storage

Store at -80°C. Stable for 12 months from the date of receipt of the product under proper storage and handling conditions. Avoid repeated freeze-thaw cycles. (Ship on dry ice.)

### Purity

> 80% as determined by SDS-PAGE and Coomassie blue staining

### Amino Acid Sequence

## Usage

---

Boster's products are furnished for LABORATORY RESEARCH USE ONLY. The product may not be used as drugs, agricultural or pesticidal products, food additives or household chemicals.

### DNAJC14 (NM\_032364) Human Recombinant Protein

For Research Use Only. Not for use in diagnostic procedures.
